ICEWEB FEDERAL PARTNER AWARDED SATELLITE IMAGERY CONTRACT

Assists Department of Homeland Security in National Defense Imagery Applications

STERLING, Va. – (PR NEWSWIRE) – May 25, 2010 – IceWEB™, Inc. (OTCBB: IWEB), www.IceWEB.com, a leading provider of Unified Data Storage and building blocks for cloud storage networks, has been awarded a contract for Storage Appliances and Servers to assist in deploying satellite imagery in the theatre of combat areas.

IceWEB, in cooperation with its Federal Integrator, will assist its Government customer in deploying large imagery datasets that are too large to be sent via traditional communication lines. This award is a pilot program that, upon successful deployment, should lead to additional task orders on the contract. IceWEB will work closely with its partner and the end user to continue to develop solutions in support of National Defense. Delivery is expected to occur in the current quarter.

Tim McNamee, Federal Channel Director of IceWEB, stated, "We are very pleased to continue to be chosen as the "go-to" partner for so many federal deployment projects. IceWEB's solutions are a perfect match for larger Systems Integrators to use in Federal support efforts."

About IceWEB, Inc.

Headquartered just outside of Washington, D.C., IceWEB manufactures and markets data storage products, network and cloud storage solutions and delivers on-line cloud computing application services. Its customer base includes U.S. government agencies, enterprise companies, and small to medium sized businesses (SMB). For more information, please visit www.IceWEB.com.

This press release may contain forward-looking statements, which are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. In some cases you can identify those so-called "forward looking statements" by words such as "may," "will," "should," "expects," "plans," "targets," "believes," "anticipates," "estimates," "predicts," "potential," or "continue" or the negative of those words and other comparable words. These forward looking statements are subject to risks and uncertainties, product tests, commercialization risks, availability of financing and results of financing efforts that could cause actual results to differ materially from historical results or those anticipated. Further information regarding these and other risks is described from time to time in the Company's filings with the SEC, which are available on its website at: <http://www.sec.gov>. We assume no obligation to update or alter our forward-looking statements made in this release or in any periodic report filed by us under the Securities Exchange Act of 1934 or any other document, whether as a result of new information, future events or otherwise, except as otherwise required by applicable federal securities laws.
