ICEWEB EXPANDS SOFTWARE TECHNOLOGY TEAM

Company Names Dr. Pradeep Tapadiya VP of Software Development

STERLING, Va. – (PR NEWSWIRE) – June 2, 2010 – IceWEB™, Inc. (OTCBB: IWEB), www.IceWEB.com, a leading provider of Unified Data Storage and building blocks for cloud storage networks announced today that the Company has named Dr. Pradeep Tapadiya, VP of Software Development. Dr. Tapadiya has more than 20 years of diversified experience in the software industry as a founder, architect and visionary.

Dr. Tapadiya holds a PhD in Computer Science from Texas A&M University and is the distinguished author of several books including “Com+ Programming: A Practical Guide Using Visual C++ and ATL” and “.Net Programming: A Practical Guide Using C#” currently available at Amazon.com. Prior to joining the technology team at IceWEB, Dr. Tapadiya was the CTO at Software Labs where his responsibilities included all aspects of technology vision, product development, software revisions and customer delivery. Dr. Tapadiya also held senior level positions for a variety of enterprise applications including HP ManageX, SQLAssist and ProReports.

Dave Skinner, SVP of Engineering and Technical Operations of IceWEB, commented, “At the core of our IceWEB 5000 systems is our unified storage platform. Dr. Tapadiya brings the software expertise that will ensure we properly maintain and protect our core software technology. Looking forward, Dr. Tapadiya, as a subject matter expert in software frameworks, brings innovative leadership to our team that will assist us in rolling out the next generation of advanced storage systems.”

Dr. Tapadiya, stated, “I look forward to extending our intellectual property that creates value for our channel and customers in the way of highly automated support, policy management, and virtual cloud integration. It is my goal to perpetuate our model of delivering simple, advanced and affordable data storage solutions.”
