ICEWEB TO PRESENT AT THEBDEVENT STORAGE CONFERENCE

***IceWEB's Karl Chen, SVP Worldwide Sales & Marketing, to present
Tuesday, June 15, 2010 at 2:45pm***

STERLING, Va. – (PR NEWSWIRE) – June 8, 2010 – IceWEB™, Inc. (OTCBB: IWEB), www.IceWEB.com, a leading provider of Unified Data Storage and building blocks for cloud storage networks, announced today that the Company was chosen to present at the BDevent storage conference on Tuesday, June 15, 2010 at the Sheraton Copley hotel in Boston.

TheBDevent is an exclusive storage networking event for industry executives. Its mission is to create a compelling business development and networking event for industry insiders - one that focuses on networking and building relationships and that does not require exhibiting. The networking event will provide educational [speaking topics](#), as well as a spotlight for emerging products.

The IceWEB 5000 and IceWEB 500 family of products simply delivers advanced unified data storage that's scalable and affordable. It is designed to store multi-media unstructured data, digital documents, geospatial data, and block-based application data. Its full feature set includes an industry advanced 128-bit file system, volume and thin provisioning, data-deduplication, unlimited snapshots, push & pull synchronous and asynchronous replication, with built-in VMware virtualization management.

"IceWEB was selected to be a presenter at theBDevent because IceWEB, the Company, and the IceWEB 5000 advanced unified storage system represent innovative storage solutions of which the industry should be aware of," said Greg Duplessie, CEO and founder of theBDevent. "We are pleased to have industry experts like Karl Chen participate at our event again to bring compelling technologies to theBDevent attendees."

"The BDevent is a great forum to present our IceWEB solutions to the industry," said Karl Chen, SVP of Sales & Marketing. "Customers are looking for simple to use proven storage systems to manage their growth of digital files and images and backoffice applications – IceWEB is their affordable answer!"
