

**PRESS RELEASE
FOR IMMEDIATE PUBLICATION**

**ICEWEB RECEIVES ORDER FROM REGIONAL WATER RESOURCE
MANAGEMENT PUBLIC UTILITY**

STERLING, Va. – (PR NEWSWIRE) – September 22, 2010 – IceWEB™, Inc. (OTCBB:IWEB), www.icweb.com, a leading provider of Unified Data Storage and building blocks for cloud storage networks, announced today that the Company has received a contract from a partner in the South East Region. The storage solution provided to the Water Resource Management Public Utility will be used for analyzing watersheds, resource management, and water conservation.

Steve Gill, IceWEB Southeast Channel Manager said, “Our partner has identified a unique market opportunity in the public water utility space. There are an estimated 52,000 community water systems in the United States serving over 300 million people. Once the deployment of this initial system is successful, we plan on rolling out a national joint marketing program with our partner to penetrate the water utility vertical.”

About IceWEB, Inc.

Headquartered just outside of Washington, D.C., IceWEB manufactures and markets data storage products. For more information, please visit www.IceWEB.com.

This press release may contain forward-looking statements, which are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. In some cases you can identify those so-called "forward looking statements" by words such as "may," "will," "should," "expects," "plans," "targets," "believes," "anticipates," "estimates," "predicts," "potential," or "continue" or the negative of those words and other comparable words. These forward looking statements are subject to risks and uncertainties, product tests, commercialization risks, availability of financing and results of financing efforts that could cause actual results to differ materially from historical results or those anticipated. Further information regarding these and other risks is described from time to time in the Company's filings with the SEC, which are available on its website at: <http://www.sec.gov>. We assume no obligation to update or alter our forward-looking statements made in this release or in any periodic report filed by us under the Securities Exchange Act of 1934, as amended, or any other document, whether as a result of new information, future events or otherwise, except as otherwise required by applicable federal securities laws.
