**ICEWEB ANNOUNCES ADD-ON ORDER FROM U.S. DEPARTMENT OF
AGRICULTURE (USDA)**

STERLING, Va. – (PR NEWSWIRE) – November 19, 2010 – IceWEB, Inc.TM (OTCBB: IWEB), www.IceWEB.com, a leading provider of Unified Data Storage and building blocks for cloud storage networks, announced today that the U.S. Department of Agriculture (USDA) has placed an add-on order for additional capacity for its Agriculture Research Service.

“The need to store and manage unstructured data, i.e. geospatial images, within our federal government is unlimited, and we are continuing to build on our past performance with multiple agencies. The federal government is, and will remain in the future, a very important customer for the IceWEB family of storage systems as we continue to rapidly grow our digital footprint,” stated John R. Signorello, IceWEB CEO. “There is an insatiable need for a second tier storage solution that is priced competitively and that can meet the feature set and performance requirements of specified agency requirements. The IceWEB Storage Appliance, which is built around 128 bit open source ZFS, simply packs a powerful punch for the buck.”

About IceWEB, Inc.

Headquartered just outside of Washington, D.C., IceWEB manufactures and markets data storage products. For more information, please visit www.IceWEB.com.

This press release may contain forward-looking statements, which are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. In some cases you can identify those so-called "forward looking statements" by words such as "may," "will," "should," "expects," "plans," "targets," "believes," "anticipates," "estimates," "predicts," "potential," or "continue" or the negative of those words and other comparable words. These forward looking statements are subject to risks and uncertainties, product tests, commercialization risks, availability of financing and results of financing efforts that could cause actual results to differ materially from historical results or those anticipated. Further information regarding these and other risks is described from time to time in the Company's filings with the SEC, which are available on its website at: <http://www.sec.gov>. We assume no obligation to update or alter our forward-looking statements made in this release or in any periodic report filed by us under the Securities Exchange Act of 1934, as amended, or any other document, whether as a result of new information, future events or otherwise, except as otherwise required by applicable federal securities laws.
