ICEWEB ANNOUNCES CITY OF BALTIMORE STORAGE APPLIANCE CONTRACT AWARD

STERLING, Va. – (PR NEWSWIRE) – November 24, 2010 – IceWEB, Inc.TM (OTCBB: IWEB), www.IceWEB.com, a leading provider of Unified Data Storage and building blocks for cloud storage networks, announced today that the City of Baltimore, Mayor's office of Information Technology, placed an order for an IceWEB storage appliance.

The IceWEB storage appliance will be used to support Baltimore's Geographic Information System (GIS) that will advance the input, processing and distribution of GIS information throughout Baltimore in support of various requirements from public safety, utility maintenance, planning, economic development, CitiStat, and other city agencies and stakeholders.

Stephen Gill, IceWEB Federal Sales Manager, stated, "Information Technology organizations have to explore many alternatives and determine which of the cost/performance features most benefit their environment. In this case, the IceWEB solution was the best solution for their needs."

Stephen Gill continued, "We are very pleased that the City of Baltimore has recognized the benefits of the IceWEB Storage Appliance and believe that this could result in other significant opportunities to provide storage solutions for other municipal agencies in Baltimore and elsewhere."
